Summer Series Worst Ball Scramble Rules

Both players tee off and both players play from the location of the worst shot. This continues until the team holes out

Tee's: All players play from standard Men's Club tees.

Handicap: Players will receive 80% of the highest handicappers handicap

Event Format

Both tee off on each hole and then play the worst shot and mark the spot with a tee or ball marker. If there is a question the opposing team will choose the worst shot

The other player picks up their ball and places them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot of the prior shot.

This procedure is followed on every shot for the remainder of the holes, including putts. The ball should be marked on the putting green also.

On the green balls must be placed within one putter head no closer to the hole. The first ball to go in the hole is counted for the team score.

If the ball you choose to play is in a penalty area (sand, water, etc.), the rough, or out of bounds, you cannot drop the ball outside of the penalty area, rough or grass cut even if relief is within one club length away.

This is a Net score event.
